

2 – 5 SEPTEMBER 2024

MELBOURNE

CONVENTION &

EXHIBITION CENTRE

MARKET PLACE STAND SPECIFICATION

ITEMS ALLOWED ON WALLS:

When attaching anything to the walling exhibitors are asked to use only Blutac, double sided tape or 3M removable products.

Wall mounted shelving and slat wall is available to hire through the ExpoNet.

Digital print wall graphics can also be purchased through ExpoNet.

ITEMS NOT ALLOWED:

Do not use pins, staples, screws, nails, bolts, glue or paint or any items that could cause permanent damage to the walling panels.

Charges will apply for ANY damage caused.

Do not assume anything can be attached to the walls as it may compromise the strength of the wall. ExpoNet can provide advice should you have more detailed mounting or dressing requirements.

WALLS

Walling is white laminated infills that are slotted into a matte anodized aluminum frame. Walling is 2500mm in height for back and side walls, and 1200mm in height for the front side walls.

FLOORING

Blueberry carpet tiles.

FASCIA / NAME BOARD

An aluminium frame with a digital print fascia sign installed on each open side. Each sign will be a maximum of 30 UPPERCASE characters including spaces.

The company name style is uniform and may not be altered. Words such as Company, Limited, Brothers etc will be abbreviated. No punctuation will be used.

LIGHTING

2 x LED 120w track mounted spotlights per 6 sqm attached onto the light track inside the fascia.

POWER

1 x 4amp power point & test and tag is provided as part of your package. Additional power can be ordered through Exponet. Please refer to your Online Exhibitor Manual for further details.

FURNITURE & SIGNAGE

- 2 x Wall Mounted Shelves – 900mm L x 300mm D each
 - Limit of 7kgs on each of the shelves with weight evenly spread
- 1 x [Lockable Counter](#) (1100mm L x 450mm D x 1100mm H)
- 1 x Branded Sign affixed to Counter. High resolution logo or artwork to be provided to ExpoNet

SUPPORT PANELS

In some instances, support panels may be necessary to structurally support a stand and to comply with OH&S requirements. These panels will be either 0.5m or 1m wide dependent on the size of the wall being supported and are installed either at right angles to the back wall, or in the middle of a long length of back wall. If you require clarification as to whether your stand will require bracing, please contact ExpoNet.

ADDITIONS

Additions to Shell Scheme may be ordered direct from the official Shell Scheme contractor, ExpoNet via the Online Exhibitor Manual or details below.
