

8 - 11 SEPTEMBER 2025
INTERNATIONAL
CONVENTION CENTRE,
SYDNEY

ITEMS ALLOWED ON WALLS:

When attaching anything to the walling exhibitors are asked to use only Blutac, double sided tape or 3M removable products.

Wall mounted shelving and slat wall is available to hire through the ExpoNet.

Digital print wall graphics can also be purchased through ExpoNet.

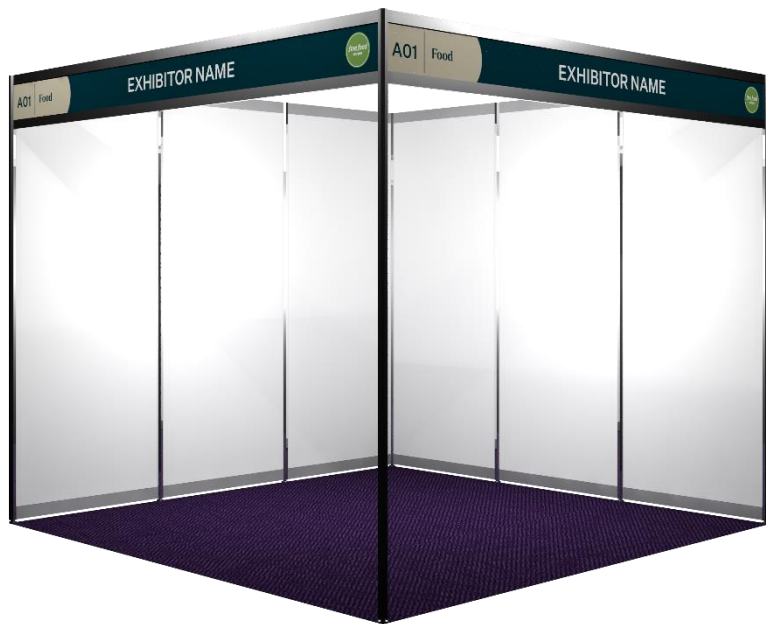

ITEMS NOT ALLOWED:

Do not use pins, staples, screws, nails, bolts, glue or paint or any items that could cause permanent damage to the walling panels.

Charges will apply for ANY damage caused.

Do not assume anything can be attached to the walls as it may compromise the strength of the wall. ExpoNet can provide advice should you have more detailed mounting or dressing requirements.

SHELL SCHEME STAND SPECIFICATION

WALLING

The shell scheme walling is 2500mmH white laminated infills that are slotted into an aluminum frame.

FLOORING

Blueberry carpet tiles.

NAME BOARD / FASCIA

An aluminium frame with a digital print fascia sign installed on each open side.

Each sign will be a maximum of 30 UPPERCASE characters including spaces. The company name style is uniform and may not be altered. Words such as Company, Limited, Brothers etc. will be abbreviated. No punctuation will be used.

LIGHTING

2 x LED 120w track mounted spotlights per 9 sqm attached onto the light track inside the fascia.
Exhibitors who opt for no fascia will receive 1 x 300w Arm Light per 9 sqm attached to the rear of the wall.

POWER

No Power is included with your stand. Power can be ordered through the official electrical contractor, Exponet. Please refer to your Online Exhibitor Manual for further details.

SUPPORT PANELS

In some instances, support panels may be necessary to structurally support a stand and to comply with OH&S requirements. These panels will be either 0.5m or 1m wide dependent on the size of the wall being supported and are installed either at right angles to the back wall, or in the middle of a long length of back wall. If you require clarification as to whether your stand will require bracing, please contact ExpoNet.

SIGNAGE

Digital printed panels or fabric wall banners are an optional extra to enhance your stand.

For digital printed panels, each panel print size is 970mmW x 2360mmH. Contact the official Shell Scheme contractor Exponet for a quote.

ADDITIONS

Additions such as furniture, lighting, signage and flooring may be ordered direct from the official Shell Scheme contractor, ExpoNet via the Online Exhibitor Manual or details below.
